Detailed description of project						Type of services provided		
<p>The overall objective of the "Support of Yemen's Accession to WTO" project is to mainstream trade in Yemen's national development policy and strategy and to increase Yemen's participation in international trade.</p> <p>Global objective: The overall objective is to provide the Commission and the beneficiary with an accurate picture of the project's implementation, its relevance, sustainability and impact.</p> <p>Implementation and expected results: The evaluation team is made up by 2 experts; Rongead's expert holds the role of Team Leader. A field mission of 22 days has been made in Sanaa to meet stakeholders, persons in charged of the project, institutions and public and private operators involved in Yemen accession process. The team has presented a final report which illustrates the main findings and the main conclusions of the mission.</p>						<ul style="list-style-type: none"> ▪ Evaluation of the support of Yemen's accession to WTO project ▪ Team leader ▪ Field mission ▪ Draft of final reports and recommendations
